GWAHS – a Wellington Aboriginal Corporation Health Service entity

What is Connected Beginning?

Connected Beginnings is the GWAHS child health team. We assist families to access health care and medical specialists.

Who is it for?

The program is for Koori kids from birth to 5 years in the Mount Druitt and Doonside regions.

What can we help with?

- Immunisation schedules
- Annual health checks
- Developmental checks and age milestones
- Referring to allied health services and medical specialists
- Support at appointments and health/education meetings
- Linking in to preschool education and enrolment to school
