

NOVEL CORONAVIRUS (COVID-19) CHANGES TO GP SERVICES

As the Coronavirus situation is evolving, we have put new measures into place to look after you, your family and also our staff.

TELEHEALTH CONSULTS

Our Mt Druitt and Penrith Clinics will be offering telehealth appointments for patients who meet the eligibility criteria. These appointments can be done from the comfort of your own home – over the phone, via facetime or skype.

This means you don't have to come to the clinic for non-urgent matters such as **SCRIPTS, TEST RESULTS, COVID-19 ADVICE** and **REFERRALS**.

FACE TO FACE CONSULTS

Our clinic will remain open during these times, however, we may NOT be able to offer face to face appointments for you with your regular Doctor.

Patient care is our main priority and our reception staff will be available to make appointments appropriate to your level of care. We appreciate your understanding in this matter.

Our friendly reception staff are available to make appointments for you by calling our clinics on **Mt Druitt 02 9836 7300** or **Penrith 02 4729 7300**

We thank you for your patience.
