

Position Description

General Practitioner

Wellington Aboriginal Corporation Health Service

Cascade Street, Katoomba

POSITION DESCRIPTION

This position reports to: Executive Manager - Janet Curran

This position is part of the Katoomba Clinic

Mandatory compliance requirements of the position:

1. Drivers Licence
2. National Criminal Record Check
3. Working With Children Check
4. Immunisation Record; Including evidence of Health Worker Vaccinations (DTP, Hep B, MMR, Varicella, Annual Influenza)

Qualifications & experience:

Essential Criteria

- The general practitioner is required to be trained and experienced in the discipline of general practice, and assessed as competent for the position in rural New South Wales.
- Previous experience in providing health services to Aboriginal communities and a thorough working knowledge of health issues impacting on Aboriginal & Torres Strait Islander people.
- Ability to work as part of a multidisciplinary team.
- Excellent organizational and time management skills.
- Awareness of and sensitivity to Aboriginal culture and history, and current issues affecting the lives of Aboriginal people.
- Current Working With Children Check, National Criminal Record Check, and unencumbered Drivers license.

Desirable Criteria

- Vocational Recognition through Fellowship with either the Royal Australian College of General Practitioners (RACGP) or the Australian College of Rural and Remote Medicine (ACRRM), or a recognized equivalent

Key Duties

The primary duties of this position include, but are not limited to:

- Provide clinical services to advance the health of Wellington Aboriginal Corporation Health Service including specific services of general medical practice, emergency care and community health
- Contribute to the planning, delivery and evaluation of the primary health programs and services delivered by Wellington Aboriginal Corporation Health Service
- Contribute to the development of clinical policies and best practice services delivery in primary health care
- Actively implement the suit of EPC Items including Aboriginal Health Checks as part of routine planned care
- Provide client care in accordance with the ethics and standards of the medical profession
- Ensure that concise comprehensive, and accurate client records are maintained in a timely manner
- Maintain appropriate records that provide the service with timely and accurate reports
- Undertake professional development activities to ensure the continued delivery of best practice clinical care
- Participate in medical research and quality assurance programs to ensure safe and effective health care
- Gather and record statistical data relevant to measuring performance against agreed indicators and participate in review and evaluation activities
- Participate in meetings, supervision and performance reviews in accordance with organisational requirements
- Participate in organisational and community activities to advance the health of Aboriginal people
- Other duties as required, within your skills, experience and capacity
