

STRATEGIC PLAN 2021-23 Summary

OUR VISION

To be acknowledged and respected as a leader in the provision of primary health care which is demonstrated by healthier communities across all locations serviced by us.

OUR MISSION

To increase population health outcomes through culturally appropriate services delivery, engaged leadership and community engagement that supports and advocates Aboriginal peoples' evolving notion of community and cultural wellbeing.

OUR PURPOSE

To plan, deliver, co-ordinate and advocate for enhanced clinical and community-based primary health care services to the Aboriginal communities of which WACHS services.

PRIORITY 1

Deliver culturally appropriate primary health that is client centred to improve population health outcomes

- 1.1** Analyse the population health status of communities in WACHS' service delivery areas in order to implement local strategies that meet clients needs
- 1.2** Assess and analyse Data collected to design and deliver population health programs across WACHS populations
- 1.3** Design organisation development strategies that improve preventative health, child and maternal health and chronic disease management outcomes community needs and expectations

PRIORITY 2

Implement high quality evidence based primary health care and population health programs that are measurable and financially sustainable

- 2.1** Align WACHS funding KPIs and CTG priority reform areas to meet population health needs
- 2.2** Implement health business models to measure achievements across WACHS clinical services, community programs and business services
- 2.3** Influence health policy and priority actions across the sector

PRIORITY 3

Improve population health outcomes through shared decision making and leadership in the sector

- 3.1** Strategically engage with local, regional, state and national health strategies, policies and frameworks
- 3.2** WACHS' Board, Executive and Teams to provide leadership in the provision of culturally appropriate health services

PRIORITY 4

Lead business development models to transform and sustain through innovation

- 4.1** Confirm vision, (mission), purpose and principles that will drive WACHS over the next 3 years
- 4.2** Expand the WACHS operating model to drive the WACHS strategic directions, business priorities and provide leadership in the sector
